ICE! ICE!
Buy Ice From Red Wagons
They say, but if you will examine carefully the ice which melts so rapidly you will note that there seems to be holes in it, that the center is what is called "snow ice," which being more porous, allows it to melt quickly.

"Crystal Ice"
The kind we turn out is as clear and perfect as it is possible to make ice, and is the most economical ice to use. Ask the man on the Red Wagon to stop and see you.

FLORIDA FOR THEIR FLIGHTS

The Famous Wright Brothers Will Probably Establish an Aviation Course in this State

Dayton, O., Dec. 30.—The Wright brothers will not again contest for the Michelin cup awarded to Wilbur Wright in France over a year ago, for the record long distance flight in an aeroplane. This was announced here by Orville Wright, who added that for some time the Wrights will make no flights at all. When they begin again, Orville said, it will be in Florida, where they expect to have an aviation course.

HEXAMETHYLENETETRAMINE
The above is the name of a German chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities and avoid a serious malady. Sold by all druggists.

ANTHONY
Naure's artist on Christmas morning treated this immediate section to a remarkable scenic sunrise, almost as varied as a moving picture show, which for beauty and peculiar combination of gaudy colors and a dazzling soft light may be seen nowhere but in a Southern clime—seldom indeed anywhere. Certain refractory conditions made the sun seem to sway and move up and down very perceptibly and a few ante-bellum colored people said "The sun is shouting like it used to on Christmas morning." In a few hours, however, a much needed rain very unexpectedly treated the dry earth to a Christmas gift, which was indeed gratifying to the lettuce growers.

Mrs. J. E. Neff with her young son, Master Thomas O'Neal, of Jacksonville, is visiting relatives in Anthony. Mr. and Mrs. W. W. Hagood and son, W. W. Jr., of Charlotte, N. C. are visiting the family of Mr. and Mrs. A. R. Griffin.

Mr. R. Hentz Griffin of Spartanburg, S. C., who was recently married to Miss Chevellette Rowe Tharin of Orangeburg, S. C., is with his bride, visiting parents and friends in Anthony.

DON'T BE HOPELESS
about yourself when you're crippled with rheumatism or stiff joints—of course you've tried lots of things and they failed. Try Ballard's Snow Liniment—it will drive away all aches, pains and stiffness and leave you as well as you ever were. Sold by all druggists.

BELLEVIEW
Mr. Louis Weihe who for several weeks has been in Pennsylvania attending the last sickness and death of his father, returned a few days ago. The annual Christmas exercises were held the evening of the 24th in the town hall. The hall was very prettily decorated. The large Christmas tree was loaded with presents for young and old. In addition to other presents each child in town received a cornucopia filled with candy and an orange. There was much work in connection with this, and decorating the hall, and the ladies are entitled to much credit for the thorough and pleasing manner in which it was done. The singing, recitations, drills, etc., by the children was pleasing and good and reflects much credit on Mrs. Louis Weihe, their instructress, for the very creditable showing the children made. Miss Edna Nichols with skill played the organ for the children's exercises. The hall was filled and all left feeling they had passed a most pleasing evening. At the commencement of the exercises prayer was offered by Elder Ridge of Iowa. At the conclusion prayer was offered by Rev. Mr. Thompson of the M. E. church.

John Hart of Tampa and Robert Polly of Ocala are visiting Mr. and Mrs. J. Nelson. Willie Lyles of Dunnellon, a nephew, spent Christmas with them. J. A. Freeman with his sons Robert and Zebbe, came home the morning of the 24th to spend the holidays.

Mr. and Mrs. Dorothy with Mrs. Beatten arrived the morning of the 24th and are occupying Mrs. Riley's house on Robinson avenue. Mrs. Dorothy, formerly Mrs. Fessler, has many friends in town, having spent several winters here.

Mr. and Mrs. William Jones of Wyoming, on their way to Cuba stopped off here to visit their cousins, Mr. and Mrs. O. M. Gale.

Mr. C. A. Tremere has Carpenters Haines and Shedd at work adding to and improving the interior of his house.

A meeting of Bellevue Lodge No. 95 F. & A. M. was held the evening of the 27th. The anniversary of St. John the evangelist. The newly elected officers were installed by Past Master Hopkins.

A very successful holiday meeting of the Ladies Aid Society was held at the town hall the evening of the 28th. Gale & Nott for some time have been receiving ballots for a life size doll for the girls and an automobile for the boys, to be given Christmas morning to the girl and boy receiving the most votes, each vote being given for every 25 cents worth purchased in the store. Miss Pearl Proctor was the winner of the doll. Miss Louise Burgess being a close second, and Leo Haines winning the automobile. Rev. Mr. Thompson and his daughter, Miss Miriam Thompson, counted the ballots. E. E. Flood has rented Judge Hopkins' house, Pleasant View. Mr. and Mrs. Hopkins have moved into their Oak Knoll house.

Christmas eve a number of young and middle-aged people met at the home of Mr. and Mrs. J. A. Freeman, where they were royally entertained and passed a most enjoyable time there with music, singing, fireworks, etc.

DON'T EXPERIMENT
You Will Make No Mistake if You Follow This Advice
Never neglect your kidneys. If you have pain in the back, urinary disorders, catarrhes and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys. Can Ocala dealers demand further proof than that contained in the following testimonial?

Lee Rogers, carpenter, First street, Sanford, Fla., says: "Last spring I had a severe attack of lumbago and was unable to get around for several days. My back was so lame that I could hardly dress myself and although I used plasters and rubbed with back with liniments, I could get no permanent relief. A friend finally advised me to try Doan's Kidney Pills, which I did. In a few days my back became strong and by the time I had finished the contents of one box of Doan's Kidney Pills the lameness and pain had disappeared. I am now able to work every day without the least inconvenience."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

MANY FISHERMEN MISSING

Waters Around Newfoundland Engulf Nearly a Dozen Schooners and their Crews

St. John, N. F., Dec. 30.—There is much anxiety here and at other ports on the coast because of the non-appearance of some eleven schooners of the fishing fleet, that have been missing since the blizzard which raged through Christmas and the succeeding two days. It is believed that all of them, with a total of sixty men who made up their crews, have been lost. Tidings of destruction wrought throughout the island colony during the blizzard are coming in slowly. From reports that have reached St. John it is evident that the loss of life and property will prove to have been the greatest from any storm in years.
